Now that you've gotten clear about where you are right now, it's time to dream forth your new abundance money story.

Rather than writing how to do this, I've created a recording describing the process for you. Please see it in the bonus section at the bottom of the course page.

The most important part is to write in the present tense, as though you're already living it. Write in great detail and do 6 months from now and a year from now.

DON'T BE AFRAID TO DREAM BIG! STAND IN CERTAINTY THAT YOU'RE ALREADY SHIFTING THINGS AND ATTRACTING ABUNDANCE EVEN AS YOU'RE WRITING! HAVE FUN WITH THIS!
